STATUS REPORT

COMES NOW GCP Pharma, LLC, (“GCP”) and, in response to the Court’s Order of October 7, 2022 (Doc. #4670) (“Order Regarding Non-Litigating Defendants”), hereby provides the following information. As identified below, GCP reasonably believes that it has been named as a defendant in approximately 64 lawsuits. With one exception, GCP has not been served with process in any of these lawsuits and has not been actively litigating any cases in state or federal court.¹ GCP has been served with process in *Muscogee (Creek) Nation v. Purdue Pharma, L.P., et al.* Case No. 1:18-op-45459-DAP, and filed an Answer in that matter, but has not actively litigated that matter.

The Court’s Order of October 7, 2022 (Doc. 4670) requires GCP to “file, by November 1, 2022, a status report listing every case *in federal or state court* that states claims against it involving manufacturing, marketing, sale, distribution or dispensing of opioids.” Because GCP has not been served in most of these lawsuits, GCP is unaware of whether the following is a complete list, but GCP provides this information to the best of its understanding:

¹ GCP does not intend to waive any defenses or objections by filing this Status Report per the Court’s October 7, 2022 Order.
